

Discount for Dr. Hauschka Club Orders

We would like to invite those interested to join the Dr. Hauschka Club and purchase these quality products through the Jubilee Store. There is no fee for membership. The Jubilee Store will offer Dr. Hauschka Club “members” a discount of 10% on all orders with the following conditions:

- Products will be ordered by Jubilee once a month or as needed with regular shipping at our expense.
- Jubilee Store staff will notify club members via telephone and/or email of upcoming purchase orders.
- There will be no rush shipping offered.
- We ask for payment to be made in advance via check or credit card. We will pay for routine shipping costs. The end cost per individual order will include NC sales tax, which is a legal requirement. (Cost will be Retail (-10%) + sales tax; i.e.: \$20 (-\$2.) + (\$1.26 sales tax) = \$19.26). Regular retail price would be \$21.40 (tax included).

In order to help the ordering process run smoothly:

- Let us know what your requests are as far in advance as possible. This allows us to check the availability of products (please note that some products will be discontinued effective March 2006; please contact us for a list of these items).
- Pay in advance. Payments can be made via cash, check, or credit card (Mastercard or Visa). A paid invoice/receipt will be provided as applicable.
- We will notify you as soon as the products arrive. Your timely pickup of the products is appreciated.

We very much appreciate your support for the Jubilee Store.

Mark J. Eisen, MD
